

Safeguarding at Creating Adventures

Creating Adventures is committed to safeguarding and promoting the welfare of adults who access our services. We work to create safe, inclusive and welcoming environments where people are respected, listened to and supported.

We recognise that some adults may be at increased risk of harm due to additional needs, disability, mental health, isolation or life circumstances. Safeguarding is everyone's responsibility, and all staff and volunteers receive appropriate safeguarding training and DBS checks.

We follow the Care Act 2014 safeguarding principles and have clear procedures in place to respond to concerns, work with statutory agencies and protect people from abuse, neglect and exploitation.

If you have a safeguarding concern, please contact our Safeguarding Lead:
